### ***F.C. Barcelona: Una nueva era – Season 2***

**Episode 1.** The team starts the 2022-23 season with great expectations, with the arrival of new signings like Lewandowski and the renewal of promising young players like Gavi, the team can aspire to it all. However, the first blows begin to arrive in Europe and in LaLiga.

**Episode 2.** After the defeats in the Champions League and the Clásico in LaLiga, the team is at its lowest ebb. Energetic decisions must be taken if another bad season is to be avoided. With the unconditional support of the fans and the new tactical changes, a key challenge is faced: winning the Spanish Super Cup.

**Episode 3.** The team starts the year on a winning streak that consolidates its position as leader in LaLiga, but just when things are going well, the Negreira case comes to light, in which the club is accused of paying referees in previous seasons. Coach and president try to protect the players from the media storm that has been unleashed.

**Episode 4.** Several legendary players of the old guard such as Busquets and Jordi Alba announce their retirement. On the horizon, the most transcendental match of the

season, the Clásico at Camp Nou, if this match is won, LaLiga can be sentenced. The title that could return Barça to the top after so many years of crisis. Glory is just a step away.
